

Participate: Together Building a Cleaner Cabo Verde

Join us in our mission to create a sustainable future for Cabo Verde through our innovative recycling project in Praia. Slated to launch in 2026, this initiative aims to foster a cleaner environment and a more sustainable community. We invite you to be part of this transformative journey!

Prepare for 2026

Information Sessions in 2025

- **Monthly presentations in community centers:** Gain insights into our recycling plans and discover how you can contribute to our success.
- **Project vision, timeline, and engagement opportunities:** Learn about our goals and the steps we will take to achieve them.
- **First look at facility plans:** Get an exclusive preview of the cutting-edge recycling facilities planned for the future.

Become an Ambassador

Help shape the future of recycling in Cabo Verde by becoming an ambassador. Your role would involve:

- **Representing your community in the planning phase:** Amplify the voice of your neighborhood.
- **Sharing local knowledge and needs:** Offer valuable perspectives that can guide our project.
- **Receiving early training on recycling practices:** Equip yourself with the knowledge to become a recycling expert.
- **Assisting with preparatory events:** Play an active role in the lead-up to our launch.

Future Programs

For Schools

- **Educational lesson kits:** Engage students with inspiring classroom materials.
- **School recycling competitions:** Cultivate a competitive and eco-friendly spirit.
- **Interactive workshops:** Provide students with practical, hands-on learning experiences.
- **Facility tours:** Offer a behind-the-scenes look at the recycling process in action.

For Neighborhoods

- **Neighborhood collection points:** Facilitate easy access to recycling for everyone.
- **Community trainings:** Enhance residents' knowledge and skills in sustainable practices.
- **Neighborhood competitions:** Motivate communities to excel in recycling efforts.
- **Local environmental projects:** Collaborate on initiatives to promote a greener environment.

Employment

- **Operational roles:** Explore new job opportunities within the recycling industry.
- **Training programs:** Build your skills for a career in sustainability.
- **Internships for youth:** Provide young people with opportunities to learn and grow.
- **Entrepreneurship opportunities:** Encourage innovative ideas within the circular economy.

[Pre-registration →]

Planned Events Starting in 2026

- **Quarterly cleanup actions:** Join us in keeping our environment pristine.
- **Annual recycling festival:** Celebrate our achievements and inspire others to join our cause.
- **Mobile recycling days:** Bring convenient recycling options to various locations.
- **Entrepreneurship competitions:** Stimulate creativity and innovation in sustainable practices.

[View preliminary calendar →]

Our Impact in Numbers

- **70% reduction in beach waste:** Contribute to cleaner and more beautiful coasts.
- **450+ tons of material recycled per year:** Make a meaningful impact on waste reduction.
- **45+ new jobs created:** Boost employment and stimulate the local economy.
- **5,000+ students reached:** Educate and inspire the environmentally conscious leaders of tomorrow.
- **Development of a circular economy:** Collaborate on building a sustainable future.
